

Are you an *artist*?

. . . dancers, pianists, singers, drawers, sculptors, rappers, painters, actors, mixers, designers, directors, jugglers, jewelry makers . . .

A group of Wesleyan students is teaming up with Artists for World Peace to do a research project about Middlesex students' access to higher education in the arts. We are looking for high school students, college students and parents to interview.

All participants will be entered in a raffle to win a \$100 visa gift card.

Contact us if you're interested!
